DIRECT COMPOSITE: PREDICTABLE, EASY & BEAUTIFUL

This course has no course or educational prerequisites

HANDS-ON PARTICIPATION COURSE

Direct composite is something we do every day in our practices. Yet, they can sometimes be frustrating when we don't get a tight contact or a beautiful anterior result. The choice of materials and techniques today is complex and challenging to differentiate between. We will look at the science of the materials and step by step techniques to get predictable and beautiful results every day. The hands-on component will allow you to utilize the different techniques and materials.

LEARNING OBJECTIVES

At the completion of this course, participants will be able to:

- The differences between the current generations of adhesives
- The current materials available
- When and Why to Use Bulk Fill
- How to get predictably tight posterior contacts
- Anterior layering for maximum Aesthetics
- How to Use Anterior composite stains
